FIFTH - Bidding Procedure: The person making the highest bid recognized by the Auctioneer shall be the buyer. The Auctioneer shall immediately present the buyer with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself/herself to auctioneer as buyer and sign Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs the Acknowledgement of Purchase, such action shall not give such other person any right or title, and immediately that such erroneous signing of the Acknowledgement of Purchase becomes known to the

auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the Auctioneer, Professional Horse Services, LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of PHS, LLC and consignor to honor any bid. The Auctioneer has the right to decline any bids made by parties who have defaulted in former purchases or by persons, who in his judgment, are not responsible bidders. Minimum acceptable advances in bidding are \$50 up to \$1,000 and \$100 thereafter. There shall be a minimum opening bid price of \$500 on any horse offered. If an opening bid of \$500 is not received the horse shall be led from the sale ring as unsold.

SIXTH - RESERVE AUCTION - This is a Reserve Auction, unless otherwise announced for a specific horse. The right of the seller to bid on their own horse, through the auctioneer or otherwise, is expressly reserved. The auctioneers and P.H.S. LLC or it's representatives, reserve the right to bid, whether on behalf of a Seller for any minimums or reserves, as well as for their own personal purchase.

SEVENTH - BUYERS ASSUME ALL EXPENSES AND RISKS ON HORSES AFTER THEY HAVE BEEN STRUCK DOWN TO THEM. Upon receiving payment for the horse the cashier will issue receipt. Buyer must present the pink copy of the receipt to security at the time the horse is removed from the grounds. **All horses must be removed from sale stalls by 9 pm. Sunday, October 21.** Failure to remove the horse for any reason will obligate the buyer to pay all costs associated with board and transportation of the horse. Buyer is responsible for the care of the horse immediately after the fall of the hammer.

EIGHTH - All registration papers will be withheld by the sale management until all checks clear the bank (approximately 21 days) at which time they will be mailed, with completed transfer reports to AQHA for Quarter Horses, and to the buyer for other breeds. **NOTE:** If any buyer desires to obtain papers immediately, horses must be paid for with cash or cashier's check.

NINTH - IF ANY PERSON SHALL PURCHASE A HORSE AND NOT PAY FOR IT AS PRESCRIBED ABOVE, the sale management or consignor shall have the right to resell the horse, or at their option, bring legal action in which event buyer agrees to pay all cost of such suit together with reasonable attorney fees as fixed by the court. In the event of resale the defaulting buyer agrees to pay all costs of resale and price deficiency, if any. Interest of 1-1/2% per month will be charged on the unpaid balance of any account not paid for as set forth in these conditions.

TENTH - Every effort has been made to assure correctness of the catalog but the sale management, djj Pedigrees, LLC, and auctioneers are not responsible for errors or omissions and assume no liability on the part of the seller as to any such statements, either verbal or written regarding horses sold. All statements and corrections at the sale will supersede the catalog.

ELEVENTH - The Sale Management, auctioneers and staff do not act for or represent the buyer or seller, but merely provide a medium for bringing together the buyer and seller for the purpose of sales transactions. Professional Horse Services, LLC. and sales personnel assume no responsibility whatsoever to anyone for blemishes, defects, the physical condition or health of any horse and makes no warranties or representations of any kind in the sale. The Consignor hereby specifically waives all implied warranties of fitness and merchantability. **ALL RESPONSIBILITY FOR REPRESENTATIONS LIES BETWEEN THE CONSIGNOR AND THE BUYER.**

TWELFTH - As to horses descended from the stallion, IMPRESSIVE, AQHA Registration No. 0767246, if they have been tested for HYPP ("Hyperkalemic Periodic Paralysis"),

the results of the test, if disclosed to Professional Horse Services, LLC, are shown with the other information concerning the horses. If such horses have not been so tested, the designation "Not tested for HYPP" is disclosed along with the other information concerning the particular horse.

THIRTEENTH - Broodmares are guaranteed only to have been bred to stallions as indicated. No guarantee is made of pregnancy status or eventual foaling unless made specifically by consignor. No return privileges or live foal guarantees accompany mares unless stated by consignor with proof in writing of such agreement issued by stallion owner. Each broodmare selling as bred to a stallion will have been examined by a veterinarian within 10 (ten) days of the Sale Date and reported at the sale as "in foal", "open or barren", or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). **Any purchaser of a broodmare sold in this sale may have the mare examined by an acceptable veterinarian within 12 hours after the start of the session in which the horse sells and before the horse leaves the sale premises.** Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale, may be returned to the consignor as unsold, and the consignor shall pay veterinarian's fee for examination.

FOURTEENTH - Consignor has the responsibility to notify the sales management in writing prior to the sale of any unsoundness of any nature known to him and they will be announced at time of sale. Consignor also warrants that horse is not suffering from any contagious or infectious diseases and has not been given drugs to alter soundness or temperament; and agrees to disclose if any drug or medication is being administered to the horse for the maintenance of any condition. **BUYER HAS THE RIGHT TO HAVE A LIMITED VETERINARY EXAMINATION WITHIN 12 HOURS OF THE START OF THE SALE AND BEFORE THE HORSE LEAVES THE SALE PREMISES.** If a qualified veterinarian finds the horse not to be sound for the advertised purpose, and presents a certificate stating such to PHS, LLC. within the 12 hour period, the consignor will accept the return of horse as unsold and hereby authorizes Professional Horse Services, LLC to refund the purchase price. This examination will be limited to moving the horse for soundness on riding horses, and checking the reproductive tract on breeding horses, as well as checking for conditions as stated in Condition Fifteenth. Positive reaction to flexion tests and hoof testers does not constitute unsoundness, if the horse is moving sound. These tests should be a part of a pre-purchase examination. **THE BUYER HAS THE RESPONSIBILITY TO EXAMINE HORSES BEFORE BIDDING.**

FIFTEENTH - The consignor has the responsibility to notify the sales management in writing prior to the sale of the fact that the horse is **a cribber, a weaver, unsound of eyes or wind, a cryptorchid, monorchid or ridgling, parrot mouthed, has had major surgery or a serious illness, has been nerved, has been nerved prior to this Sale, has a lameness due to navicular disorder, osteoarthritis of a joint or other bone abnormality, or a neurological disorder including but not limited to EPM or wobbles,** and these conditions must be stated in the catalog or announced when the horse is sold. If a buyer discovers such a condition in the horse which was not stated to the sales management by the consignor, as required and specified above, and NOT disclosed at the time of the sale, and the horse has such a condition at the time of sale, and if the buyer delivers to Professional Horse Services, LLC a **WRITTEN STATEMENT FROM A QUALIFIED VETERINARIAN within five (5) days of the date of the sale** establishing the existence of the condition in detail, the consignor agrees to accept the return of the horse and hereby authorizes Professional Horse Services, LLC. to refund the purchase price.

SIXTEENTH - If the consignor disputes the diagnosis by the buyer's veterinarian for conditions stated in Condition Fifteenth above, that were not stated in the catalog or disclosed before the horse was sold, then PHS, LLC. may appoint an equine veterinarian of its choice to determine the condition of the horse. The examination of the appointed veterinarian shall be limited to the disputed condition. The appointed veterinarian may inspect the horse and may apply such diagnostic testing and procedures as deemed to be appropriate. The appointed veterinarian may also confer with the consignor and the buyer and the buyer's veterinarian, and may review available veterinary medical history including conferring with prior veterinarians having knowledge of the horse, and may review the report and supporting information supplied by the buyer's veterinarian. The decision of the appointed veterinarian shall be final in all respects and PHS, LLC. shall allow or disallow the rejection of the horse by the buyer consistent with the opinion of the appointed veterinarian. The buyer has the duty to present the horse for examination with the appointed veterinarian in cooperation with the veterinarian's schedule and has the duty to provide board, necessary farrier and veterinary care, and transportation until the dispute is resolved. The appointed veterinarian shall be within a reasonable proximity to the buyer. If rejection by the buyer is allowed by PHS, LLC, the consignor shall pay the cost of services of the appointed veterinarian and the buyer may recover from consignor any direct costs related to care of the horse. Risk of loss passes back to consignor immediately upon notice of decision by PHS, LLC to allow rejection by the buyer and consignor shall immediately make arrangements to take possession of the horse.

PERFORMANCE RECORD: In 2013: Tom Powers Triple Challenge Novice Horse Non-Pro Western Pleasure Maturity Co-Champion, money-earner in the \$2,500 Limited Horse Open and \$2,500 Limited Horse Non-Pro. **In Open:** 3rd, AQHA Region Ten Experience Green Western Pleasure; ROM earner of 22 green western pleasure, 2 western pleasure, 1½ hunter under saddle and 1 green hunter under saddle point = 26½ Open points. **In Amateur:** 4 hunter under saddle, ½ western pleasure, and ½ rookie showmanship = 5 Amateur points. **In Novice Amateur:** 29½ western pleasure, 28 hunter under saddle, 5 hunt seat equitation, and 3 showmanship points = 65½ Novice Amateur points.

NOTES: Here is a Gem! Willy Pretty Is Willy talented! Pretty mare with almost 100 points that has only been lightly shown. This western pleasure mare deluxe has many many wins under her belt including being a Tom Powers Pleasure Champion with Katy Jo Zuidema, an Ontario year end champion in open western pleasure, and is also very competitive in Hunter under Saddle events, has a lead change and good in the pattern stuff. She had a 2017 foal by the Rock (also in sale) (longe line champion of Ontario Breeders Futurity his only time shown) and was not bred again. We have started riding her recently she is fresh and ready to go back to the pen or be bred (easy breeder) or both. She would be very suitable for Select riders amateurs or youth. From a breeding perspective she was out of arguably the best daughter of Zippo Pine Bar: Miss Zippo Win. Possibilities are numerous.

PERFORMANCE RECORD: Earning of 1 open and 1 novice hunter under saddle point.

NOTES: Chanel is a big beautiful dark brown mare that we have had since she was a 3-year-old. She has had limited showing due to my daughter's college and full-time job. We just don't have the time to show her like we should. Someone could take her and have a great time at the shows, she has been ridden HUS but could do multiple things. She has great ground manners, clips, loads and bathes easily. We have started a little showmanship with her and she's taken to it very well. She's a super sweet mare and will make someone a great show horse. *FLASH!* Shown September 22-23 at WVQHA Futurity Show by "Mom" for only the second time in Hunter Under Saddle, placing 1st under all 3 judges out of 9 in the Novice Amateur Hunter Under Saddle!
