

## ONLINE Auction Catalog Pictures Preferred Views

### Main Pose

Attention Getter. Show the horse's occupation.

Head View - Attractive, clean and **well-fitting** halter or bridle.

### Left Profile

All 4 legs and feet are visible. Background is not distracting. Attractive camera angle.

Right Profile - Legs furthest away from photographer are closer together. The horse has a pleasing expression. Photographer is standing just behind girth area with camera held level with middle of barrel.

### Front View

Conformation is easily viewed.

- With the exception of the Main Pose and head view, these pictures were taken with a camera phone.
- The pictures were taken from a low angle, down on one knee.
- The sun is behind the photographer to minimize shadows.
- Pay attention to slope of ground. Do not put horse's front feet lower than hind feet.

### Back View

Conformation & legs are easily viewed - tail does not obscure legs.
